

## Passport to a Whole New World

**Y**our membership with the Festiva Adventure Club is your passport to a whole world of vacation opportunities through Interval International. Your purchase includes a complimentary one year membership in Interval International, entitling you to trade your points for use at thousands of fine resorts that participate in the exchange network.

Interval International offers an incredible array of vacation options beyond all the excitement that's already yours through the Festiva Adventure Club. Just imagine heading off to the beaches of Hawaii, discovering ancient civilizations in Mexico, snow skiing in New England or exploring the treasures of Europe. These are just a few of the possibilities.

### Just Follow These Few Steps and You're as Good as on Your Way

1. Consult your Resort Directory and decide where you would like to go. Remember, the more flexible you can be—both as to where and when you want to take your vacation—the more likely you are to get a reservation. It is recommended that you select at least three different resorts and at least one travel date, or at least one resort and three travel dates. Planning your vacation in advance will maximize your opportunity to reserve your selected resort.
2. When you've made the decision to deposit a week with Interval International, contact Central Reservations at 1.866.933.7848 or e-mail us at [centralreservations@festiva.travel](mailto:centralreservations@festiva.travel).
3. Take note of the number of points you will be using, and have available the unit size and color season you will be exchanging. We will take care of the rest.
4. Once you receive deposit confirmation from Festiva, you can contact Interval International to request a reservation at one of the thousands of resorts offered through the exchange company.
5. An exchange fee is required when you request an exchange reservation search through Interval International. The rate will vary depending on whether your destination is domestic or international. Upon confirmation of your exchange request, you will receive details on the resort and destination you have chosen for your vacation through Interval International.

### Helpful Definitions

**Regular Exchange** – Make a regular exchange when you are certain that you want to use your points to exchange within Interval International. Once your points are deposited with Interval International they cannot be pulled back. You can have the flexibility of a three-year travel window as you can exchange any time from one year before until two years after the first day of the week that you deposited.

**FAC Late Break Exchanges:** For only 1900 points, exchange any unit size available 30 days or less ahead of check-in. Use these weeks with II's Flexchange program where unit size and/or season restrictions are waived.
